These films inspire and uplift preschool children through adults. They are part of the global Cinema Park Network located in Tel Aviv, with partners in Poland, Taiwan, Mexico, Korea, India, Turkey and USA.

Program 1

Matter Spirit/Chomeir Ruach

We live in a world of Tangible Matter; of the Physical. It is often all too easy to live day to day without ever giving thought to whether or not there is anything else. Is what we see truly all that there is? Or, perhaps, is there more to our existence than what simply meets the eye?

(Mountainside Dining Room)

9:15 - 10:30
